

Final Selection “POETRY IN VISUAL” Aveiro

Moving art Project www.projectartmap.com

The exhibition will take place from 26 of June to 26 of July 2015 in 2 locations:

Gallery of City Museum of Aveiro and Gallery of Capitania Building.

First, let me share my enthusiasm about how well the projects develops: we have received 183 international submissions for the Aveiro exhibition with more than 400 artworks, and that the city is collaborating very much on the promotion, so it is going to be a great event! Now we have 8 professionally equipped gallery halls strait in the center of the town for that project, so the artworks will be exhibited in the best space and technical conditions. To see the exhibition halls please visit <http://projectartmap.com/artists/>

Besides, good news is that all artworks will be officially registered and insured by the museum. **To be included into the insurance and the catalogue please confirm by email as soon as possible if your artworks are available and if you are going to send your works for the exhibition.**

For the exhibition there will be edited a color catalogue with names, contacts and works of participants. Each participant of the exhibition will receive a copy.

Delivery of artworks. The selected artworks should be delivered by artist personally or sent by post to the Museum address not later than 5 of June 2015 (received). The works should be signed.
